

## **COBRA CLASSICS**

**(Motorcycle Restorations), 9 Meadow Drive, Ballyclare, Co. Antrim, N. Ireland, BT399XF**

**Terms & Conditions**

**24-10-23**

### **Motorcycle restoration / project / rebuilds / part.**

1. All funds owing must be paid to Cobra Classics for your restoration / project / rebuild / part subject to funds clearing before it can leave our address (as shown above). If funds have not cleared, parts and assembly are still in ownership of Cobra Classics.
2. Before removing your restoration / project / Rebuild / part, you have fully checked the restoration / project / rebuild / part and are fully satisfied with all work carried out.
3. When the restoration / project / rebuild / part leaves our address (as shown above), full ownership and responsibility of the vehicle and parts restored / supplied are now the owners / buyers' liability (subject to funds clearing) with any upkeep, maintenance and settings also the owner's responsibility. The owner's responsibility also includes maintenance and checking of all parts before highway use or any other use as they the owner sees fit.
4. Any restoration / project / rebuild / part, that has not been paid for / collected from our address (as shown above) after three months of being invoiced, will be subject to a rental charge. Customers will be advised of this charge before it is added to their bill. If a restoration / project / rebuild / part has not been paid for / collected from our address (as shown above) after twelve months of being invoiced the customer will be advised that the restoration / project / rebuild / part will be sold so that Cobra Classics can recoup their costs plus any interest, or losses incurred.
5. Any guidelines on the running, starting, running in or maintenance of the restoration / project / rebuild / part supplied by Cobra Classics will be given verbally or written.
6. The owner with agreement with Cobra Classics is happy for Cobra Classics to use images and videos of my restoration / project on social media, websites and other publications for their own benefit.
